Project Number:**13148867**
CONTRACT: **PROJECT TITLE**

Supplier/Contractor : R&L BUILDERS AND CONSTRUCTION SUPPLY

Brgy. Baloy Extension, Gusa, Cagayan de Oro City, Misamis Oriental, Philippines

The undersigned duly authorized representative of the Bidder, for and in behalf of the Bidder hereby submits this computation of Net Financial Contracting Capacity (NFCC) in relation with our bid proposal for the subject to be bid. That personally, and in behalf of the Bidder, I certify that the following computation of the NFCC is complete, true and correct.

A. Summary of Bidder's Assets and Liabilities based on the attached audited Financial Statements, stamped "RECEIVED" by the Bureau of Internal Revenue or the BIR authorized collecting agent, for the preceding calendar year.

The Net Financial Contracting Capacity (NFCC) is computed as follows:

NFCC = K(current asset – current liabilities) minus value of all outstanding works under ongoing contracts including awarded contracts yet to be started.

Where K = 10 for a contract duration of one (1) year or less
15 for more than one (1) year up to two (2) years
20 for more than two (2) years

Net Financial Contracting Capacity	**Amount**
Current Assets	
Current Liabilities	
Net Working Capital (6)	
Multiply by 15	
Less: Value of all outstanding and uncompleted portions of sub-projects under on-going contracts including awarded contracts to be started coinciding with contract to be bid	
Computed NFCC
